# Lungs&You Live Events

IPF is always a challenge, but hearing from people living with the disease can help.

Join us for a FREE, LIVE Idiopathic Pulmonary Fibrosis (IPF) Educational Event!

- Learn about symptoms, management, and support from a healthcare provider
- Hear from an IPF Patient Mentor or Caregiver Mentor
- Leave with great resources, including information on pulmonary rehab and oxygen use

Call 1-866-281-3501 to register and learn more about live events in your area.
